#### SEIZURE OF THE DEFENDANT PROPERTY

5. Based on my personal knowledge and on information provided by other officers involved in this investigation I have learned the following:

6. On Sunday, January 29, 2012, officers with the Fort Smith Police Department were dispatched to the United States Attorney's Office located at 414 Parker Avenue, Fort Smith, Arkansas, which is in the Western District of Arkansas, Fort Smith Division, in reference to a suspicious person in a Jeep who was parked in the front parking lot of the office. When an officer arrived, he observed the Jeep parked in the U.S. Attorney's office parking space and an individual, subsequently identified as James S. Curtis, sitting in the driver's seat of the Jeep apparently asleep. After waking Curtis, the officer asked him why he was sleeping in the vehicle. Curtis told the officer that he was there to see a U.S. Attorney and was going to wait there until they opened in the morning. Curtis said he was from Kentucky and needed to speak with an attorney but did not have an appointment. As the officer was speaking with Curtis, the officer observed three pistol magazines on the dash board. The officer asked Curtis if there were any weapons in the vehicle. Curtis stated that there was. The officer asked if he had a conceal carry permit and Curtis stated that he did not because it was revoked. The officer asked Curtis to step

out of the vehicle. When Curtis stepped out of the vehicle the officer noticed a large frame black gun sticking out from between the front seats along with a large fixed blade knife.

7. Additional officers arrived on the scene and could see an additional firearm and ammunition in plain view in the Jeep. Curtis gave a post-*Miranda* statement advising the officers that there were a total of three handguns and a rifle in the vehicle. Officers searched the vehicle pursuant to Curtis's consent and located the Defendant Property.

8. ATF Special Agent Tony McCutcheon, who is an expert on the interstate nexus for firearms, determined that these firearms had traveled in interstate commerce.

9. Curtis was arrested on state charges and was subsequently interviewed by Affiant after having been advised of his *Miranda* rights. He admitted that the firearms in the vehicle were his, that he had been previously treated at the state hospital, and that the doctor at the state hospital told him that he should not ever possess guns.

10. Records were subsequently obtained from the Marshall County Kentucky Sheriff's Office, which show that on April 26, 2010, an order was signed by the Judge of the Marshall County District Court which ordered the defendant, James Curtis, to be hospitalized at the Western State Hospital for a period not to exceed 72 hours. Records were also obtained from the Christian County Kentucky District Court, which show that on April 30, 2010, Richard Lunsford, MD, as a qualified mental health professional with the Western State Hospital, signed a Verified Petition for Involuntary Hospitalization (Mental Illness) regarding James Curtis, which was submitted to the court requesting that Curtis be detained for examination, evaluation and hospitalization for a period of 60 days. The Petition states that Petitioner believes Curtis to be suffering from a mental illness which required inpatient care and stabilization. The court

records show that Curtis was discharged from involuntary hospitalization on May 6, 2010, with a recommendation for continuing care through the local CCC which was prior to a preliminary hearing which the court scheduled for May 12, 2010.

11. The Defendant Property had been housed, since its seizure, in the evidence locker of the Fort Smith Police Department located at 100 South 10<sup>th</sup> Street, Fort Smith, Arkansas, which is in the Western District of Arkansas, Fort Smith Division.

12. On December 7, 2016, the Defendant Property was seized by Affiant from the Fort Smith Police Department, and is currently in the possession of the Federal Bureau of Investigation.

#### THE PROSECUTION OF JAMES CURTIS

13. On January 31, 2012, a Complaint was filed and a Warrant was issued for Curtis in case no. 2:12MJ02004. On February 2, 2012, Curtis was arrested on the Warrant, had an initial appearance, and was appointed an attorney. On April 10, 2012, Curtis was charged by Indictment in this District in case no. 2:12CR20020-001 with one count of Possession of a Firearm by a Prohibited Person. The Indictment also included a forfeiture allegation seeking forfeiture of the Defendant Property.

14. On May 15, 2015, after more than three years of litigation regarding Curtis's competency, the Court dismissed the Indictment on the government's motion, which resulted in the dismissal of the forfeiture allegations as well.

#### CONCLUSION

15. The possession of the Defendant Property by Curtis on January 29, 2012, constitutes violations of 18 U.S.C. § 922(g)(4), and the Defendant Property is forfeitable pursuant to 18 U.S.C. § 924(d).

Further the affiant sayeth not.
